

Carers enjoy Fun4all Weekend Break

Fun 4 All

Registered Charity 1152293

Chippenham-based charity Fun4All, which aims to give carers and those they care for a break, held its second residential break over the weekend of 7-9 February at the Hilton Hotel, Swindon, where 55 guests enjoyed a packed programme of entertainment and activities.

After Dinner on Friday evening the members were entertained to some wonderful music from local entertainers “End Of The Track” and enjoyed a Picture Quiz in the interval.

Saturday saw a full programme of activities, including Family History, Jewellery Making, Aqua Aerobics, Cupcake Decorating, Origami, and a talk about the life of Marylyn Monroe, with many artefacts on display, all of which were enjoyed with enthusiasm. Some members took advantage of the Hilton’s Leisure facilities of a heated swimming pool and gym.

After Dinner the members were entertained by a session of “Fluffy Pig Racing” and a quiz, hosted by Hampshire Pigs, which caused much merriment. This was followed by a karaoke session, to which members made their contributions, by singing and dancing to the chosen songs.

Sunday was slightly more relaxed, with a Service of Worship in the morning followed by further sessions of Family History, plus a session of Musical Therapy, a Sing-along and the chance to dance to some gentle music.

The members assembled for a farewell meeting before eating a delicious Carvery Sunday Lunch and then returning to their homes.

All the guests thoroughly enjoyed their experience and look forward to the next event. It is hoped this will lead to increased membership and funding opportunities to enable the charity to grow, so that it delivers what the members want. In the future the charity intends to provide a series of residential breaks, outings, and craft workshops for its members to foster the feeling of inclusion, rather than exclusion.
